

Dear Parents:

It is time to sign up for this year's Pets and Pals Club, open to children grades 1-6. We have made some changes to our Pets & Pals club this year, which we hope will enable us to provide the children with a more in depth, educational experience. There will be two clubs this year, Junior Pets & Pals for grades 1-3 and Senior Pets & Pals for grades 4-6. Children will learn about all different types of animals, and how to be responsible pet owners. Arts and crafts, games, guest presenters and educational activities will all be part of club activities.

Meetings will run from September to June, and each club will meet once a month. Junior Pets & Pals will meet on the second Wednesday of the month, and Senior Pets & Pals will meet the fourth Wednesday of the month. Meetings will be held at 32220 Old Hwy 34 in Tangent. Meetings will last one and a half hours from 6:00-7:30. Club members will also have the option to participate in field trips and volunteer days throughout the year. The days/times of each event will be announced as they come up.

A one-time fee of \$25 a child or \$40 for multiple child households is requested to help cover cost of supplies (*If the fee is a problem, please see Community Outreach Coordinator for scholarship opportunities*). Attached is an application for Pets and Pals Club. Space is limited, and admission will be on a first come first serve basis.

If you have any questions please feel free to contact our Community Outreach Coordinator at 541-928-6280 or volunteer@safehavenhumane.com. We look forward to seeing everybody in the fall!

Sincerely,

Stephanie Green
